## **REGULATIONS FOR SHOWS**

1. Exhibitors must be current members of the The Rose Society UK.
2. In classes open to all, exhibitors may accept assistance with staging their blooms; however in restricted classes, they must stage their own blooms
3. Exhibitors should submit entries in writing or by email using the standard entry form supplied with this schedule or down-loadable on the society's website. Late entries will be permitted if space is available, but only if

the exhibitor has already made entries prior to the relevant closing date

4. Exhibitors may only make one entry in each class unless otherwise permitted in the schedule. Spouses or partners living together are considered as one exhibitor
5. Star of the Show classes (at all shows) -
  - i) in these classes, exhibitors may make any number of entries but only one exhibit of any one variety in each class
  - ii) exhibitors are reminded that in these classes the roses are judged for bloom, stem and foliage
6. All exhibitors and helpers must leave the place in which the competition is taking place at the appointed time. Warnings will be given at intervals prior to the appointed time
7. Exhibits may not be removed from the show tables without prior permission from the Show Secretary
8. All blooms must have been grown by the exhibitor from bushes that have been in their possession for at least three months
9. Any objections regarding judging decisions must be before 2pm on the day of judging with a deposit of £5 which will be forfeited if the decision is found to be frivolous by two or more members of the shows committee present at the show
10. To assist judging and to provide information for visitors, all exhibits, should be named. Incorrect, or not naming will not disqualify, providing there is no duplication in classes which ask for distinct varieties. Seedlings, Sports, or unknown varieties should be noted on the variety card provided
11. All rose blooms are to be exhibited free of artificial aids of any kind. The only exception is that Large Flowered blooms may have a single wire inserted to hold the flower head erect. All stems must reach water, or water retaining material. Water retaining material in vases, bowls and containers must be kept below the rim of the vessel to allow watering during the show. Only foliage growing on stems is allowed, except where stated in the schedule. Foliage must not be dressed with oils or any other agent
12. All rose blooms exhibited should conform to the standards set out in the current edition of 'Judging and Showing Roses.
13. All exhibits are to be staged for **frontal effect**, except miniature baskets or where otherwise stated in the schedule

14. All receptacles are provided for staging the rose blooms and should be used as stated in the schedule. Exhibits must be staged at the show venue during the time slot allowed in the schedule. The society receptacles must not be taken away for future use
15. The term 'Miniflora' when used in this schedule, describes blooms that are well above average sized miniature rose blooms. They should not be so large as to appear coarse and be markedly smaller than Large Flowered blooms. Stems and foliage should be in proportion to the bloom. All exhibits in classes defined as 'Miniflora' will be judged as defined in 7.5 and 7.6 of Judging and Showing Roses
16. The stems of all miniature cluster flowered roses may bear any type of bloom. It should be noted that all blooms should be shown at the perfect stage for the type of blooms entered. HT type should be half to three quarter open, single, double or semi double blooms should be open and have fresh stamens if visible. All other requirements will be judged and defined in 7.4 of Judging and Showing Roses. Judges should show no preference toward any individual type of bloom. Copies of 'Judging and Showing Roses' will be available on the secretary's desk at all shows.
