I am a member of the Rose Society UK;

All roses exhibited by me/us, in competition, are from plants which have been grown by me/us and have been my/our exclusive property for at least three months immediately preceding this show. The entries conform in all respects to the Rules and Regulations of The Rose Society UK.

We appreciate how difficult it can be to judge how or when your roses will bloom. For that reason, we encourage you to be optimistic and make your entries. If your roses fail to live up to expectations then please let us know. If they exceed expectations, that's fine too. Bring them along to the show. We'll never turn away a rose grower who brings roses to a show!

Remember, you can make any number of entries in the Star Classes, providing they are all different varieties.

Star Classes	Number of entries
Class 1	
Class 2	
Class 3	
Class 4	
Class 5	

We will always accept **extra** entries on show day, our aim is to put on a good display for the public
